

November After School Art on the Aiken Prep Campus

The After-School Art Club will resume on Wednesdays after school at 3:30 till 4:30 pm. It will start on October 30th and continue on every Wednesday. We will continue with this program throughout the year.

The After-School Art Club will be an extension of Ms. Nowlin's art classes at the end of the day. This will be a good time for students to work longer on their own projects. There are also many projects designed by Ms. Nowlin to for anyone who wants to try them.
