

Summer assignment for AP chemistry:

Chemistry 2e, chapters 1-4 (<https://openstax.org/details/books/chemistry-2e>) end of chapter questions.

Join the AP Chemistry Google Classroom (vvance-kraus@meadhallschool.org for an electronic invitation)

The chapters are split into 4 due dates, and there will be a Google Meet in conjunction with each due date if students want to ask questions or see how problems are solved. Those dates are June 25, July 9, July 23, August 6. Those are not required, but are help sessions.
