

Middle School Supply List – 2021-2022

All supplies are available for pre-order in packets for students at the student store. Supplies are bundled conveniently based on your child’s schedule to ensure they have the right supplies for the right classes. You are encouraged to take advantage of this opportunity.

Please note the following:

- Throughout the supply list you will note that some items have an asterisk (*) by them. These are items that may need replenished throughout the year. However, any other item that is misplaced or is no longer usable may need to be replaced.
- In a few cases, some supplies will not be offered by the student store package - Please take note of what still needs to be purchased.
- On the pages that follow, there is a shopping list for each MS grade as well as instructions for how to organize and prepare supplies once they’ve been purchased.
- Unless specified, any brand of supplies will do.
- Make sure that the bookbag you purchase is not a rolling bookbag.
- Although uniform is not part of the supply list, please label all uniform tags with your last name (especially hoodies and blazers).
