

**Community Notifications for Positive COVID-19 Cases at Mead Hall
02/24/2022**

Dear Mead Hall Community,

Whenever we have a member of our community that has tested positive for COVID-19, we will follow this procedure:

We must protect the privacy of the person involved. Notifications will be given each week in the In the Loop publication that comes out by email each Thursday, with the number of new COVID-19 cases reported on each campus during the previous week and the total number of cases during the school year. New cases will be reported weekly for the period from each Thursday to each Wednesday. Our response to all COVID-19 positive cases will be in accordance with the guidance of the South Carolina Department of Health and Environmental Control (SC DHEC).

Those who become ill should contact their healthcare provider. Their doctor in consultation with public health officials, will determine appropriate care and whether testing is necessary.

Please notify the school if your child has a COVID-19 positive test result. If your child is sick and is exhibiting symptoms of COVID-19, please keep the child home and contact the school.

Please note that all information, including the name(s) of ill persons, shared regarding any Public Health investigation is confidential in order to protect patient privacy. For additional information about Coronavirus visit the [Centers for Disease Control](#) and the [South Carolina Department of Health and Environmental Control](#).

We appreciate your support as we seek to keep our community safe and healthy.

Yours faithfully in Christ,

Frank Sawyer
Head of School
