

Middle/Upper School Math Teacher (2022-2023 School Year)

Mead Hall Episcopal School is the parish day school of St. Thaddeus Episcopal Church. Mead Hall's two campuses serve as a pillar in the educational community of the CSRA by challenging students to pursue academic excellence, spiritual growth, and moral integrity. Our school has over 320 students with a wide range of options in academic, athletic, and extracurricular activities. Small class sizes and a rigorous college preparatory curriculum prepares students for a lifetime of learning and leadership. Mead Hall is accredited by the Southern Association of Independent Schools (SAIS). Mead Hall Episcopal School seeks candidates who are supportive of the school's mission, vision, and core values.

We are currently seeking an experienced, enthusiastic Upper School Math Teacher for the 2022-2023 school year. This position has an option to be full or part time. Courses offered include Algebra I, Geometry and Algebra II.

Required qualifications to include:

- A Bachelor's degree
- A minimum of 3 years experience in an Upper School/High School environment, teaching math and/or science
- Strong organizational, verbal, and communication skills
- Experience lesson planning, differentiating instruction, and using creativity and technology in the classroom.
- A strong work ethic, and ability to work independently.
- A positive disposition while functioning within a highly motivated, fast-paced, and diverse staff and community
- The ability to maintain a high level of confidentiality and discretion at all times
- A willingness to uphold the School's mission and philosophy, and demonstrate the School's core character values

Preferred qualifications, in addition to the above requirements, include:

- A Bachelor's degree, or higher, in mathematics
- A minimum of 5 years experience in a high school setting, teaching math
- Experience in both public and private education sectors
- State teaching certification

Responsibilities will include:

- Demonstration of knowledge, skill, and ability to plan and execute a balanced 21st Century learning experience.
- Maintaining student records and collaborating with other teachers, administrators, and parents.
- Developing a classroom atmosphere that promotes positive learning and an inclusive, welcoming, purposeful school tone and culture.
- Participating in training as necessary to learn and update school curriculum.

- Expressing a desire to be an active member of the Mead Hall community.
- Actively participating in professional development in order to remain current with best practices in education and technology.
- Collaborating with colleagues within subject and grade level, in order to provide the best learning experience possible
- Using technology such as word processing/presentation software, Online Student Information Program (FACTS), Smartboard, Google Apps for teachers (Gmail/Google Docs, etc.), and online learning suites effectively to support, enhance, and extend instruction.
- Communicating effectively with parents through school e-mail, phone calls, in-person conversations, Report Cards, etc.
